Buildings - Construction of kitchen - cheap design - Orders issued.

Public Works Department

G.O.Ms.No.1539 Dated 7th April 1953
Read the following:-

G.O.Ms.No.4029 Public Works dated 1-10-52.
From the Chief Engineer, P.W.D.(General and Buildings)
No.7906 Wks/52-6 dated 23-2-1953.

...

Order:-

The Government agree with the Chief Engineer that there is no need to evolve a type design for a kitchen for Sub-Inspector's quarters, etc. They, however, consider that general instructions should be issued to all Executive Engineers on the lines of paragraph 3 of the Chief Engineer's letter dated 23-2-53 cited, for their information and guidance so that they may adopt cheap specifications and provide only smoke tiles instead of costly fire place and chimney, etc., while preparing the estimate for a kitchen. The Chief Engineer is requested to issue instructions accordingly.

Government of Madras
(Abstract)

BUILDINGS - South Kanara District - Sub Inspector's quarters, Coondapur - Construction of kitchen - Expenditure Rs.1,240/- Approved.

- -

Public Works Department.

G.O.Ms.No.4029. Dated 1st October 1952.
Read the following:-

From the Inspector General of Police, Madras Rc.No.2512/HB/51, dated 30-7-1952.

....

ORDER

xx xx xx

4. The Government consider that the estimate for Rs.1240/- for the construction of a kitchen in the Sub-Inspector's quarters is excessive. The Chief Engineer is requested to examine separately the question of evolving a cheaper design for kitchen rooms of this sort and submit a report to Government.

(By order of the Governor of Madras)

T.V.Natesa Mudaliar,
Additional Deputy Secretary to Government

GOVERNMENT OF MADRAS

...

Copy of letter No.7906 Wks/52-6 dated 23rd February 1953, from the Chief Engineer, P.W.D.(General and Buildings), to the Secretary to Government, Public Works Department, Madras.

...

Sub:-Buildings - South Kanara District - Sub-Inspector's Quarters at Coondapur - Construction of a kitchen - Regarding.

Ref:-From the Government Public Works Department - G.O.Ms. No.4029, dated 1-10-1952.

...

With reference to paragraph 4 of the G.O. cited above, I wish to report that the design for the kitchen under reference, merely consists of a room 9' x 8' with a lean to roof and that there is nothing wrong with the proposal as such.

2. However, I agree that the estimate for Rs.1,240/- for the construction of the kitchen room ~~from~~ for SubInspector's Quarters at Coondapur is excessive. The high cost of the estimate is mainly due to a lump sum provision of Rs.300/- towards fire place and Chimney and also higher costs of materials owing to their non-availability at the sit and carting them for long distances to the site of work.

3. Suitable instructions are being issued to the Superintending Engineer, Coimbatore Circle for reducing the cost of the work under reference, by providing only smoke tiles instead of the costly fire place and chimney etc., and also adopting cheaper specifications.

4. With reference to the concluding ~~portion~~ portion of paragraph 4 of the Government , I have to state that the approved type designs for Sub-Inspector's quarters etc., duly make provision for a kitchen also. Such cases of old buildings requiring a kitchen to be newly added will be very rare and ~~a~~ so there is no need to evolve a type design for a kitchen as such.
